Sample #:	Location/Description:

Use back of sheet if more room is needed to list samples

Instructions: Samples should be separated and bagged individually and then placed in an additional zip lock bag. Complete a Chain of Custody, sign and date it and send with the sample(s) (not in the sample bag). Samples can be either mailed, shipped or dropped off at our office. Payment is required in advance. A report will be either faxed or emailed as indicated on the chain of custody. See APASI Lab web site ([www.apasi.net](http://www.apasi.net)) for more detailed instructions.
